

Terms and Conditions of Boarding

Your cat will need an up dated vaccination card for immunisation against Cat Flu and Feline Enteritis which must be provided before admission. Also your cat will need to have recently been treated for worms and fleas. Any treatment for your cat whilst in our care will be charged for on collection.

We can administer most medications which must be clearly labelled for your cat. Please note we will refuse admission of your cat if it looks sick or is ailing.

We require your Veterinary's name and address and if your cat needs treatment we will follow the advice of the Veterinary surgeon.

We shall also require your contact number, a number for a family and/or friend while you are away.

We shall take every precaution and care of your cat during its stay with us.

Insurance and Licence

We are licensed by Harrogate Borough Council for 28 cats.

We are fully insured through PetPlan Sanctuary and the Insurance Certificate is displayed in our reception. Licence No. LN/199312850
